## A Guide to Buying Health Insurance

We agree – buying health insurance can be difficult. There are many companies offering several plans. Benefits are different. Fine print is hard to read. Terms are unfamiliar. And the cost can be surprising.

On this page, we offer six clear steps to help you through the process of selecting a health plan and a company that not only fits your budget, but your needs as well.

- 1) What are you looking for in a health insurance plan?
  - Copay for doctor visits for young children?
  - Lower premiums – most concerned with serious illness?
  - Are tax-advantages important?
- 2) Review plans from reputable companies.
  - Check an independent rating agency like A.M Best or Standard & Poor's.
- 3) Know what you are responsible to pay.
  - **Copay:** fixed amount an insured must pay at the time of service (i.e. doctor visit or prescription).
  - **Deductible:** a flat amount that an insured is required to pay before the insurance will pay any benefits.
  - **Coinsurance:** the percentage (for example, 80%) paid by the insurance company and percentage (20%) paid by the insured of all covered medical expenses once the deductible is met.
- 4) Understand what's covered and what's not covered by the insurance plan.
  - All plans have exclusions and limitations and you need to know what they are. (See page 13).
- 5) Research the network.
  - Network: health care providers (physicians, hospitals, and other facilities) that are contracted by the insurance company to provide care at a discounted price.
  - Are the doctors and hospitals you want to use part of the network offered by the company?
- 6) Figure out the bottom line – your total annual cost, in a good health year and bad health year.

# High Deductible Plans

## Lower Premiums

With high deductible plans, you're keeping more of your money and taking responsibility for covering minor or routine health care expenses — if they come up. The higher the deductible, the lower your premiums.

Saver 80<sup>SM</sup> is our lowest premium plan. This plan provides coverage for hospital confinements, surgical procedures in or out of the hospital, and the more costly outpatient expenses, such as CAT scans and MRIs.

## Simple to Use

Golden Rule's top-selling high deductible plan — Plan 100<sup>®</sup> — pays 100% of covered expenses once you meet your calendar-year deductible. Your benefits are not complicated with multiple copays or coinsurance.

## Comprehensive Coverage

- You choose \$3 million or \$5 million lifetime maximum benefit per covered person.
- Plan includes up to \$300 annually for preventive care and an additional \$300 annually for childhood immunizations with no waiting period (first-dollar coverage available).
- Add optional benefits to increase coverage (see optional benefits for details).

### Who might benefit most from a high deductible plan?

- Anyone willing to take responsibility for routine health care expenses in exchange for lower premiums.

# Health Savings Account (HSA) Plans

## HSA Plans Offer Quality Coverage, Savings

HSA Plans simply combine a lower cost, high deductible health insurance plan and a tax-favored savings account.

## Lower Premiums, Tax-Advantaged Savings, and an Attractive Interest Rate\*

High deductible plans typically cost a lot less than many copay or traditional plans, which means lower premiums for you. You can then take the premium savings and place it into your Health Savings Account.

- You get a tax deduction on the money you put in your HSA.
- Your dollars can grow tax-deferred.
- You spend the savings tax-free to help pay your deductible or for qualified medical care (including prescriptions, vision, or dental care).
- What you don't use in your account will continue to accumulate year after year. Then, if you ever need it for health care expenses, the money will be there.
- At Golden Rule, you'll also earn interest on your savings, beginning with the first dollar deposited.

**Bottom line — HSAs can help make health insurance more affordable.**

\* See HSA Insert for important information.

## Who might benefit most from a Health Savings Account plan?

- Persons interested in more control over how their health care dollars are spent.
- Families interested in one annual deductible per family.
- Those interested in trading low deductible health insurance for a higher deductible plan to save money on monthly premiums and taxes.

# Provisions That Apply to All Plans

This brochure is only a general outline of the coverage provisions. It is not an insurance contract, nor part of the insurance policy or certificate. You'll find complete coverage details in the policy and certificates. In most cases, coverage will be determined by the master policy issued in Illinois and subject to Illinois law.

## Health Care Provider Networks

Choosing a Preferred Network offers you a significant premium discount and in most cases — a nationwide network of doctors and hospitals\*. Otherwise, Golden Rule health insurance plans include access to one of our Savings-Based Networks.

## Transplant Expense Benefit

**The following types of transplants are eligible for coverage under the Medical Benefits provision:**

Cornea transplants, artery or vein grafts, heart valve grafts, and prosthetic tissue replacement, including joint replacements and implantable prosthetic lenses, in connection with cataracts.

**Transplants eligible for coverage under the Transplant Expense Benefit are:**

Heart, lung, heart and lung, kidney, liver, and bone marrow transplants.

Golden Rule has arranged for certain hospitals around the country (referred to as our "Centers of Excellence") to perform specified transplant services. If you use one of our "Centers of Excellence," the specified transplant will be considered the same as any other illness, and will include a transportation and lodging incentive (for a family member) of up to \$5,000. Otherwise, the acquisition cost for the organ or bone marrow will not be covered, and covered expenses related to the transplant will be limited to \$100,000 and one transplant in a 12-month period.

To qualify as a covered expense under the Transplant Expense Benefit, the covered person must be a good candidate, and the transplant must not be experimental or investigational. In considering these issues, we consult doctors with expertise in the type of transplant proposed.

**The following conditions are eligible for bone marrow transplant coverage:**

Allogenic bone marrow transplants (BMT) for treatment of: Hodgkin's lymphoma or non-Hodgkin's lymphoma, severe aplastic anemia, acute lymphocytic and nonlymphocytic leukemia, chronic myelogenous leukemia, severe combined immunodeficiency, Stage III or IV neuroblastoma, myelodysplastic syndrome, Wiskott-Aldrich syndrome, thalassemia major, multiple myeloma, Fanconi's anemia, malignant histiocytic disorders, and juvenile myelomonocytic leukemia.

Autologous bone marrow transplants (ABMT) for treatment of: Hodgkin's lymphoma, non-Hodgkin's lymphoma, acute lymphocytic and nonlymphocytic leukemia, multiple myeloma, testicular cancer, Stage III or IV neuroblastoma, pediatric Ewing's sarcoma and related primitive neuroectodermal tumors, Wilms' tumor, rhabdomyosarcoma, medulloblastoma, astrocytoma, and glioma.

## Notification Requirements

**You must notify us by phone on or before the day a covered person:**

- Begins the fourth day of an inpatient hospitalization; or
- Is evaluated for an organ or tissue transplant.

Failure to comply with Notification Requirements will result in a 20 percent reduction in benefits, to a maximum of \$1,000.

If it is impossible for you to notify us due to emergency inpatient hospital admission, you must contact us as soon as reasonably possible.

Our receipt of notification does not guarantee either payment of benefits or the amount of benefits. Eligibility for, and payment of, benefits are subject to all terms and conditions of the policy. You may contact Golden Rule for further review if coverage for a health care service is denied, reduced, or terminated.

## Preexisting Conditions

Preexisting conditions will not be covered during the first 12 months after an individual becomes a covered person. This exclusion will not apply to conditions which are both: (a) fully disclosed to Golden Rule in the individual's application; and (b) not excluded or limited by our underwriters.

A preexisting condition is an injury or illness: (a) for which a covered person received medical advice or treatment within 24 months prior to the applicable effective date for coverage of the illness or injury; or (b) which manifested symptoms which would cause an ordinarily prudent person to seek diagnosis or treatment within 12 months prior to the applicable effective date for coverage of the illness or injury.

## Limited Exclusion for AIDS or HIV-Related Disease

AIDS or HIV-related disease are treated the same as any other illness unless the onset of AIDS or HIV-related disease is: (a) diagnosed before the coverage has been in force for one year; or (b) first manifested before the coverage has been in force for one year. If diagnosed or first manifested before coverage has been in force for one year, AIDS or HIV-related disease claims will never be covered. Details of this limited exclusion are set forth in the policy and certificates.

Benefits will not be paid for services or supplies that are not medically necessary to the diagnosis or treatment of an illness or injury, as defined in the policy.

## General Limitations

- Expenses incurred by a covered person for treatment of tonsils, adenoids, middle ear disorders, hemorrhoids, hernia, or any disorders of the reproductive organs, will not be covered during the covered person's first six months of coverage under the policy. This provision will not apply if treatment is provided on an "emergency" basis. "Emergency" means a medical condition manifesting itself by acute signs or symptoms which could reasonably result in placing a person's life or limb in danger if medical attention is not provided within 24 hours.
- Covered expenses will not include more than what was determined to be the reasonable and customary charge for a service or supply.
- Transplants eligible for coverage under the Transplant Expense Benefit are limited to two transplants in a ten-year period.
- Charges for an assistant surgeon are limited to 20 percent of the primary surgeon's covered fee.
- Covered expenses for surgical treatment of TMJ, excluding tooth extractions, will be limited to \$10,000 per covered person.
- All diagnoses or treatments of mental disorders, as defined in the policy, including substance abuse, will be limited to a lifetime maximum benefit of \$3,000 (not covered in Saver Plans, subject to state variations). Covered expenses for outpatient diagnosis or treatment of mental disorders will be further limited to \$50 per visit. As with any other illness or injury, inpatient care which is primarily for educational or rehabilitative care will not be covered.
- Covered outpatient expenses relating to diagnosis or treatment of any spine or back disorders will be limited to a maximum of \$2,000 per calendar year. CAT scan and MRI tests are not subject to this limitation.
- Covered expenses will be limited to no more than a 34-day supply for any one outpatient prescription drug order or refill.

## Effective Date

For **injuries**, the effective date for a mailed application will be the later of: (a) the requested effective date, if any, shown on the application; or (b) the date upon which the original application is actually received by Golden Rule.

For an application sent by any electronic method, the effective date for injuries will be the later of: (a) the requested effective date, if any, shown on the application; or (b) the day after the date upon which the application is actually received by Golden Rule.

The effective date for **illnesses** will be the same as for injuries if you are replacing prior coverage within 62 days of application for this coverage and disclose replacement information on the initial application for insurance. If replacement information is not disclosed on the initial application for insurance, the effective date for illnesses will be the 15th day after the effective date for injuries. Illnesses that begin prior to that 15th day will be treated as a preexisting condition and will not be covered until the individual has been a covered person for 12 months.

## Premium

We may adjust the premium rates from time to time. Premium rates are set by class, and you will not be singled out for a premium change regardless of your health. The policy plan, age and sex of covered persons, type and level of benefits, time the certificate has been in force, and your place of residence are factors that may be used in setting rate classes. Premiums will increase the longer you are insured.

## Home Health Care

To qualify for benefits, home health care must be: Provided through a licensed home health care agency.

Covered expenses for home health aide services will be limited to seven visits per week, and a lifetime maximum of 365 visits. Registered nurse services will be limited to a lifetime maximum of 1,000 hours.

## Hospice Care

To qualify for benefits, a Hospice Care program for a terminally ill covered person must be licensed by the state in which it operates. Benefits for inpatient care in a hospice will be limited to 180 days in a covered person's lifetime. Covered expenses for room and board are limited to the most common semiprivate room rate of the hospital or nursing home with which the hospice is associated.

## Dependents

For purposes of this coverage, eligible dependents are your lawful spouse and eligible children. Eligible children must be unmarried, living with and financially dependent on you, and under 19 years of age, or under 23 years of age if attending an accredited college or vocational school on a full-time basis.

## Termination of a Covered Person

A covered person's coverage will terminate on the date that person no longer meets the eligibility requirements, or if the covered person commits fraud or intentional misrepresentation.

## Continued Eligibility Requirements

A covered person's eligibility will cease on the earlier of the date a covered person:

- Ceases to be a dependent; or
- Becomes insured under an individual plan providing medical or hospital, surgical, or medical services or benefits. (This does not apply to stand-alone cancer, ICU, or accident-only policies.)

## Renewability

You may renew coverage by paying the premium as it comes due. We may decline renewal only:

- For failure to pay premium; or
- If we decline to renew all certificates just like yours issued to everyone in the state where you are then living.

## Underwriting

Coverage will not be issued as a supplement to other health plans that you may have at the time of application. Plans are subject to health underwriting.

## Conditions Prior to Legal Action

To help resolve disputes before litigation, the policy requires that you provide us with written notice of intent to sue as a condition prior to legal action. This notice must identify the source of the disagreement, including all relevant facts and information supporting your position. Unless prohibited by law, any action for extra-contractual or punitive damages is waived if the contract claims at issue are paid or the disagreement is resolved or corrected within 30 days of the written notice.

## Group — COB

If, after coverage is issued, a covered person becomes insured under a group plan, benefits will be determined under the Coordination of Benefits (COB) clause. COB allows two or more plans to work together so that the total amount of all benefits will never be more than 100 percent of covered expenses. COB also takes into account medical coverage under auto insurance contracts.

## Medicare — Carve-Out

Covered persons who reach the age of Medicare eligibility and obtain Medicare coverage will be provided an alternative health insurance benefit called "Carve-out." Basically, "Carve-out" pays the difference between what Golden Rule benefits normally would pay and what is paid by Medicare.

**CONDITIONS PRIOR TO COVERAGE (APPLICABLE WITH OR WITHOUT THE CONDITIONAL RECEIPT)**

Subject to the limitations shown below, insurance will become effective if the following conditions are met:

1. The application is completed in full and is unconditionally accepted and approved by Golden Rule Insurance Company (Golden Rule) at its Home Office or Indianapolis Office.
2. The person is a member of the Federation of American Consumers and Travelers.
3. All medical examinations, if required, have been satisfactorily completed.
4. The persons proposed for insurance must be, on the effective date for injuries, not less than a standard risk acceptable to Golden Rule according to its regular underwriting rules and standards for the exact plan and amount of insurance applied for.
5. The first full premium, according to the mode of premium payment chosen, has been paid on or prior to the effective date for injuries, and any check is honored on first presentation for payment.
6. The certificate is: (a) issued by Golden Rule exactly as applied for within 45 days from date of application; (b) delivered to the proposed insured; and (c) accepted by the proposed insured.

**Definitions:**

1. "Satisfactorily completed" means that no adverse medical conditions or abnormal findings have been detected which would lead Golden Rule to decline issuing the certificate or to issue a specially ridered certificate.
2. "Effective date for injuries" for a mailed application means the later of: (a) the requested effective date, if any, shown on the application; or (b) the date upon which the original application is actually received by Golden Rule at its Home Office.
3. "Effective date for injuries" for an application sent by any electronic method means the later of: (a) the requested effective date, if any, shown on the application; or (b) the day after the date upon which the application is actually received by Golden Rule at its Home Office.

**Limitation:**

If, for any reason, Golden Rule declines to issue a certificate or issues a certificate other than a standard certificate as applied for, Golden Rule shall incur no liability under this receipt except to return any premium amount received. Interest will not be paid on premium refunds.

**NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE**

If you intend to lapse or otherwise terminate existing insurance and replace it with a new plan from Golden Rule, you should be aware of and seriously consider certain factors that may affect your coverage under the new plan.

1. Full coverage will be provided under the new plan for preexisting health conditions: (a) that are fully disclosed in your application; and (b) for which coverage is not excluded or limited by name or specific description. Other health conditions that you now have may not be immediately or fully covered under the new plan. This could result in a claim for benefits being denied, reduced, or delayed under the new plan, whereas a similar claim might have been payable under your present plan.
2. If after due consideration, you still wish to terminate your present insurance and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information, correct information regarding the tobacco use of any applicant, or information concerning other health plans may cause the company to deny a future claim and to void your coverage as though it has never been in force. After you have completed the application and before you sign it, reread it carefully. Be certain that all information has been properly recorded.
3. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of or addition to your present plan. You should be certain that you understand all the relevant factors involved in replacing or adding to your present coverage.
4. Finally, we recommend that you not terminate your present plan until you are certain that your application for the new plan has been accepted by Golden Rule.

I (we) hereby authorize FACT or Golden Rule to initiate debit entries to the account indicated below. I also authorize the named depository to debit the same to such account.

**A COPY OF YOUR AUTHORIZATION TO OBTAIN AND DISCLOSE HEALTH INFORMATION**

**KEEP THIS DOCUMENT. IT HAS IMPORTANT INFORMATION.**

# Health Insurance for Individuals and Families Built with YOU in Mind.

These health insurance plans are issued as association group plans and available only to members of FACT, Federation of American Consumers and Travelers.

## What is FACT?

FACT is an independent consumer association whose members benefit from the “pooling” of resources. Benefits range from medical savings to consumer service discounts. If you’re not already a member, you are required to join FACT.

## Why does Golden Rule make its health insurance products only available to members of FACT?

Simply because you benefit. FACT essentially gives you the buying power of a large group versus the buying power you would have by yourself. That bigger buying power translates into you being able to take advantage a variety of resources at reduced rates, including health insurance from Golden Rule.

## Is there a fee for joining FACT?

Yes, the fee is simply \$3 a month and can be paid with your regular monthly premium, as opposed to making a separate payment. If you take advantage of the multitude of benefits FACT has to offer, like vision and dental discounts, you will easily recoup the association fee, plus benefit from any additional savings.

## What are FACT’s association benefits?

FACT makes it possible for members to pick and choose from a full menu of important benefits:

- Dental Discounts — you can save up to 50% on general dental, x-rays, and orthodontics
- Vision discounts — typical savings of 20-60% for eye exams, eyeglasses, contact lenses, and LASIK correction surgery
- Health insurance plans
- Prescription drug discounts
- Van line discounts
- Consumer library
- Consumer hotline referral service
- Amusement park discounts
- Travel service and savings
- Informative newsletter

Plus ...

- You may apply for: FACT scholarships, classroom grants, and community project grants.
- You are eligible to request: Financial assistance in the event of a natural disaster.
- You are kept aware of matters of importance through: FACT’s Eye-On-Washington Reports.

Benefits and suppliers change from time to time. For the most current information: Visit FACT’s Web site at [www.fact-org.org](http://www.fact-org.org) or call toll-free at 1-800-USA-FACT.
